Description of Problem

Please include a detailed description of the issues, as well as a description of and a copy of any professional studies, citations or reports from government entities, recommended solutions, and any cost information or estimates. If additional space is needed, please attach.

When replacing water damaged sheet rock, repairmen noticed the exterior metal siding was very rusted, resulting in many dime and quarter sized holes. In the corner of the building there is a 6-8 inch hole in the metal siding, all caused by rust.

Project Category: Surfaces

Are any of the above-described issues in buildings or part of buildings that are leased to another entity, including a district sponsored charter school? N

Available Funding

Current unencumbered building renewal fund balance (Fund 690):	\$0.00
Amount of Local funds planned for this project	\$0.00

Please outline any associated insurance coverage.

The Ajo Unified School District did not budget for this type of repair. If this problem is not fixed, the Primary classroom will continue to flood.
